Membership Renewal and Insurance

If you have not yet renewed your membership of CADMAC and BMFA for 2013 you must not fly from CADMAC flying sites as you will not be insured in the event of an incident.

Malcolm would appreciate it if you would either renew your subscriptions using the Members Renewal Form (which can be downloaded from the www.cadmac.co.uk , or advise him that you will not be renewing for 2013.

This will help us to establish the number of places available for new members in 2013.

Thank You

Recently I have been looking at other clubs web sites and newsletters for ideas for our newsletter and web site.

It appears to me that the clubs I have looked at have quite a considerable input from their club members, these of course might be the same guys submitting articles from one month to the next of course. But if any of you have anything at all that you think others (one hundred and forty) of us members may be interested in, then please do send it to me.

The clubs I have looked at are Salisbury, Southampton (these club newsletters can be found on the BMFA are web site www.sabmfa.org.uk), the Hawks Bay model club of New Zealand <http://www.hbrf.org.nz> , the Bury St Edmunds club in Suffolk <http://www.burymodelfc.co.uk> .

Recently I have been in Suffolk staying with my Niece and a good friend of there's, James Ladell who is the Chairman of Bury Model flying club.

James who is also a member of the LMA and a well known display pilot invited me round to his home to view some of his current models, well I was blown away, **one** of his workshops is home to such planes as a B17 (14 foot wing span), several large Mustangs and F15 (James fired this one up for us it has a thrust of 30lbs) and another jet which is laid up for the winter months but he tells me it has cost £8000.00 the only thing it had in common with my small workshop was that it was in a similar state of array !!

THE SHIP INN, ALDWICK,
BOGNOR REGIS.

PO21 3AP

For a number of months some of us on the CADMAC committee were wondering if any of you would like to join us one midweek evening in April for a meal. We used to hold this sort of event years ago but over time it has disappeared off our calendar.

Tony Chant has been checking out some of the pub/restaurants in the Bognor area where the majority of our members live, Tony has found the Ship Inn in Aldwick who have offered him a menu of £10.00 per head, which I have shown below.

I have shown the menu below if any of you are interested please contact me Ken Knox on 07885819911 our kenneth.knox@btopenworld.com or any of the committee, I look forward to hearing from you.

Dear Tony

The Chain of Command has decided that, in future, all personnel, civilian or military, will have an annual expiry date on their vehicle pass that coincides with the expiry of their vehicle road tax.

I would appreciate it if you could circulate this direction to all of your club members and arrange for them to contact me in the New Year to arrange an appointment for a new pass to be issued.

In this connection, and, subject to other commitments, I will be available for pass renewal during the hours 0915-1215 & 1400-1600, Monday to Thursday. Providing the applicant has already undergone the initial Basic Check procedure, I will require one form of photo ID, CADMAC membership card and the tax disc to complete my documentation.

Kind regards

Stephanie
