2015 Glider Competition Guess which glider won!

Open Glider Competition 2015

This year the competition was again run over three days, three rounds per day.

The first day was sunny with very light breeze from the SW, day two was sunny with light breeze from the SW. and day three was sunny and windy from the SE., three lovely days for glider flying.

On day one 15 pilots flew, the wind was 5-8 mph with very little lift to be found the best total times for the day were by Adrian Childs with 8min.16sec, Ray Beadle with 7min. 47 sec and Nick Gates with 7min.25 sec.

Day two had winds of 8-10 mph. 13 pilots started, the best times for the day were by David Gardner with 7 min. 50 sec. however he could only fly once due to home requirements, Keith Watts with 7min 01 sec and Nick Gates with 6min 34 sec.

For day three 10 pilots flew, with winds of 10-14 mph Ray Beadle and Adrian Child managed the max of 10 min in the first round, and Keith Watts got 6 min 42sec.

We had two new members, James Egington and Eamon Keating, I hope you enjoyed it!

So when the worst time for each day was discarded, then the worst day discarded, then the two totals added together to get the final total time, there was only 8sec between first and second!

The result was,

First Adrian Childs
Second Ray Beadle
Third Keith Watts .

Thanks to Mick Blundell who came and helped mark and to all who attended and made the three days very enjoyable,

See you all next year.

Cheers Ray
