Poppy Open Glider Competition 2014

This competition was run on Remembrance Day starting at 1200 at Thorney Island, the weather was fine and sunny but with no wind. As this year the electric gliders were to have a go, it was decided to fly these only.

Over 20 people attended and 13 pilots flew two rounds. Lift was very sparse and as the climb time was 25 sec most times were low. The best time of the day was by Derek Honeysett with a flight of 5 min 11 sec Ray Beadle got to 4.56 min using Keith Watts model and John Riall did a time of 4.48 min

Two pilots flew the foam Wot 4 and one flew a foam delta, a very varied assortment of models we on view.

Thanks go to those who did a lot of line fetching and launching as well as the timers.

A collection of £130 was made for the Poppy Appeal and the total was matched by the CADMAC club. (£300.00 total)

The result after adding the two rounds was,

First Derek Honeysett, Second Nick Gates and Third. John Riall. Thanks to all who attended and made the day very enjoyable,

See you all next year.

Cheers Ray

Pass system for Thorney Island.

The process for gaining access to the Island will be through the collection of a temporary car pass via the Main Entry Point gate post which must be returned on exiting the establishment. Temporary passes will be issued for a vehicle and its occupants provided that:

- All individuals are registered on the Club's membership list as held at the gate post.
- All vehicles are road legal and details (Make, Model, VRN) held on membership list.
- All vehicle occupants provide photo identification (driving licence or passport) to cross-reference with membership lists on entry.
- Users accept vehicle searches on entry and departure.
- The vehicle and occupants only use and park at the facility of which they are a member: other areas of the Island remain out of bounds, and military personnel will challenge breeches and are empowered to remove passes and escort non-compliant personnel off the Island.
- It is an MOD and club requirement that all members visiting the Island carry with them the current Club and BMFA cards
