WIN A **FREE HOLIDAY** AT THE RC HOTEL, CORFU

Worth over £250.00

from Bruce

CADMAC Members Only

You've probably thought, "Yes, I'd love to try that, but....," and then any number of little doubts have deflected you from enquiring further. Well, having recently returned from my sixth visit to this little piece of paradise I'll try to allay fears, answer questions and explain how you could be staying there **FOR FREE** courtesy of its proprietor Spiros Tsellas.

The RC Hotel is located in Poulades, in a shallow valley a few clicks inland from the picturesque bay town of Gouvia,, just north of Corfu Town on the eastern coast. The hotel complex, itself, is made up of a number of separate buildings which spread down the valley side to it's very own flying field in the valley bottom.

RC Hotel has an infinity swimming pool and sunbathing terrace, bar restaurant area and all the amenities you'd expect PLUS indoor games area, flight simulator, boating lake, track car circuit and tank battle zone. Then there's the flying - you can take your own models or have your choice of Spiros' vast fleet - i/c or electric from trainers to thoroughbreds.

From the hotel there's a host of beautiful places to visit and many exciting things to do, all at very reasonable prices. Daily, there'll be trips to Gouvia or Corfu Town for sight-seeing and retail therapy but maybe you'd like to go to the water park or take a float-plane flight? Just ask.

You and your partner could be enjoying the magnificent Corfu scenery and warm Ionian waters next year for just £1.00. Spiros has generously donated a week's stay at RC Hotel for two persons at the B&B rate. This great offer is available as the first prize in our coming raffle draw - **AND IT'S ONLY OPEN TO CADMAC MEMBERS.**

So, have a good read through my full report on RC Hotel, which Tony Reynaud, our Secretary will be circulating separately, then make sure you don't miss the chance to buy your raffle ticket at the AGM, Presentation Meal or at the Subs Evening where the draw will be made. *GOOD LUCK.*

Note to all Users of Porthole Farm

It is imperative that when entering and leaving the field **you must LOCK** the gate behind you irrespective of other people/vehicles still being there (i.e. Dog trainers) as the land owner has **INSISTED** that this be carried and is a fundamental clause in the use of the field.
